## COMMENT ON THE “BREACH” OF THE PLANNING PERMIT CONDITIONS

AND

## ANNOUNCEMENT OF CONSTRUCTION COMMENCEMENT

24<sup>th</sup> December 2021

Dear CLC members,

Firstly, Chunxing would like to give a comment on the “breach” of our Planning Permit Conditions that occurred this week. Chunxing gained approval from Gippsland Water to install a manhole and sewer connection in the road verge of Fourth Road. Chunxing subcontracted the plumbing works to an accredited plumber.

The plumber incorrectly and mistakenly believed that the excavation was within the Site Easement. Nevertheless, Chunxing accepts full responsibility for the breach. Chunxing also accepts any and all consequences resulting from the breach.

Chunxing Corporation Pty Ltd is very pleased to inform our CLC Members that we have achieved approval from both from the Latrobe Council and the EPA for us to begin the construction work at the site.

We will also publish all the details of the approval on our website ASAP.

Further, we intend to start the initial construction in the beginning of the new year using local contractors. We will keep you informed of the progress.
