Dear Lakshman,

It is with immense gratitude that I write this letter of thanks on behalf of the Churchill Cricket Club.

Your generous sponsorship of our club has made a great difference to our financial position in these uncertain times. I am sure you would be aware that operating a sporting club in a regional area is difficult at the best of times, yet the current situation has introduced a challenge the likes of which we have not seen in our time.

Our focus must always remain on developing junior cricketers and providing the children of our community and their families with a safe and inviting atmosphere. In partnering with the Churchill Cricket Club, Chunxing has allowed us to eliminate all junior fees which we hope will create an understanding within the Churchill community that everyone has a home with us, no matter our backgrounds.

Attached with this letter are photos of our renovation activity during the off-season. Our carpet has been completely replaced recently and I think you will agree it makes a huge difference in how we present ourselves as a club in our social rooms. The previous carpet was installed when the building was constructed more than 20 years ago and has been in need of replacement for a number of years. This is something that we have not been able to commit to, due to cost restrictions. Our club is extremely grateful to Chunxing for their valued sponsorship that has allowed us the security to take on this important project.

Everyone at our club are thankful for the support of Chunxing Corporation and we would like to wish you every success in the year ahead.

Ryan Harvey
President
